LUXE TAPPED TALENTED LOCAL DESIGNERS FOR THEIR BEST SOURCES AND RECOMMENDATIONS TO SHINE A LIGHT ON SOME OF THE CITY'S FINEST OFFERINGS IN ART AND DESIGN.

"I personally both love and am intrigued by mazes and labyrinths, so I find artist John Germain's work to be particularly captivating. The idea of finding a solution to a problem that seems impossible is really synonymous with the work I do as a designer."

-DAVID G. BLANCO

"Gary Nader has an extensive collection of wonderful artists from Latin America. I respect his professional opinion and guidance, as he is one of the top gallerists in the country. Other Miami galleries that I think highly of are Cernuda Arte and DVF Art Services, both in Coral Gables."

-IVETTE ARANGO

"My favorite local furniture showroom, Holly Hunt, is like an art gallery. Its spacious site is laid out beautifully, allowing for perfectly placed furniture vignettes. The showroom has an eclectic variety, and it's impossible to get bored of its many offerings."

-VINCENZO AVANZATO
